Lone Star News!!!

Thanks for taking the time to respond to our email! We polled the concept of being able to enter the same horse/rider combination twice in the same race. 95% came back with YES enter twice. So, we'll give it a try on this race and then we'll take another poll following the race to see what you think and how we can improve to better serve you!

We will continue to ask your advice and do our best to give you what you want! We have become great friends with so many of You; This is more than a production for us, it's a cherished friendship! Thanks For Your Past Support! We are looking forward to Bigger and Better Races in the Future!
